CAPPING SOLUTIONS - SECURE STAR CAPPER

Watch our video showcasing a recent project BellatRx did for **Cosmetics and Beauty** products featuring the **Secure Star Capper**. Secure Star Capper is an automatic high-speed bottle indexing starwheel with a speed of 60 BPM and precise torque application. This project featured the Secure Star Capper with a cap sorting elevator, cap presence sensor, and reject table, guaranteeing accuracy and efficiency in your packaging line. The **Secure Star Capper** accommodates ten different jars and caps of various sizes, making it a diverse capping solution for your packaging needs. [Click here](#) to watch the video.
