**Complete Powder Filling Packaging Line**

BellatRx is excited to share the **successful installation and testing** of a recent project at one of our customers' facilities in the **nutraceutical industry**. Our team installed the **Lynx**, an innovative **robotic pick and place** station equipped with suction cup end-of-arm tooling for desiccants and scoops. The Lynx integrates into our customer's **complete powder filling packaging line**, which includes a Bottle Unscrambler, the Lynx Desiccant Inserter, Auger Filler for powder filling, the Lynx Scoop Inserter, and the Magna Capper with a Cap Sorting Elevator. We're proud to have contributed to the streamlining of our customer's packaging operations. **Fully integrated** turn-key packaging line solutions for liquids, solid dose, or powder - BellatRx has full expertise to successfully realize your project.
